NDLAMBE MUNICIPALITY

TENDER 09/2526

INVITATION TO TENDER - PANEL OF SERVICE PROVIDERS FOR THE OPERATIONS, MAINTENANCE AND MANAGEMENT OF WATER AND WASTEWATER TREATMENT PLANTS

Ndlambe Municipality hereby invites suitably qualified and experienced companies to submit tenders for the establishment of a panel of service providers to operate, maintain, manage and monitor specialised and advanced water and wastewater treatment works and associated infrastructure within the municipality.

Background

Ndlambe Municipality operates and manages a range of specialised and technically advanced water and wastewater treatment facilities. These include:

- Seawater Reverse Osmosis (SWRO) plants
- Brackish Water Reverse Osmosis Plants
- Wastewater Reclamation Plants
- Ultrafiltration plants
- Advance Activated Wastewater Treatment Plants
- Pumpstations and associated infrastructure

Given the technical complexity of these systems, the municipality requires companies with proven experience and capacity in operating and maintaining such plants in order to ensure reliable service delivery and compliance with regulatory standards.

Purpose of Tender

The purpose of this tender is to establish a panel of service providers who will be engaged on an “as and when required” basis to operate, maintain, manage, and monitor the municipality’s specialised and advanced water and wastewater treatment works and associated infrastructure.

Tender Packages

The panel will consist of two packages. **Bidders may submit proposals for one or both packages. Bidders intending to submit both packages must ensure that they submit all the required documentation and supporting information relevant to each package.**

Package A: Operation and Maintenance of Water and Wastewater Treatment Plants

This package covers the operation and maintenance of the following specialised plants within Ndlambe Municipality:

Plant Name	Type	Capacity (ML/day)	Location
Port Alfred Ultrafiltration Plant	Water Treatment	2.4	Port Alfred
Port Alfred Seawater Reverse Osmosis Plant	Water Treatment	2.0	Port Alfred
Port Alfred Wastewater Reclamation Plant	Water Reuse	3.0	Port Alfred

Port Alfred Wastewater Treatment Plant	Wastewater	5.0	Port Alfred
Port Alfred Brackish Water Treatment Plant	Water Treatment	8.0	Port Alfred
Bushmans River Mouth Reverse Osmosis Plant	Water Treatment	2.5	Bushmans

Note: The above list represents the current specialised and advanced treatment plants under Ndlambe Municipality's operation. Additional plants, facilities and any other related works may be included in the scope as per the municipality's operational requirements and capabilities during the tenure of the panel.

Scope of Work for Package A

Service providers will be required to:

- Operate and maintain assigned plants including the raw water abstraction works and associated pumping or gravity infrastructure in accordance with approved process designs, licence conditions and applicable regulations.
- Provide qualified process controllers, mechanical/electrical technicians and supervisory personnel in line with DWS competency requirements.
- Undertake preventive, corrective and emergency maintenance of mechanical, electrical, instrumentation and process systems.
- Monitor, record and report operational performance, including daily logs and monthly reports.
- Conduct regular water quality testing in accordance with SANS 241 and other statutory standards.
- Optimise plant performance for efficiency, cost-effectiveness and compliance.
- Maintain and repair the telemetry/SCADA system to ensure full operational functionality across all monitored areas.

Package B: Management, Supervision and Monitoring of Alexandria and Cannon Rocks Water Supply Systems

This package covers the management, supervision and monitoring of the following systems:

1. Alexandria Water Supply System:

- Management and maintenance of Alexandria Coastal Water Resources and bulk water supply up to the main storage reservoirs.
- Monitoring and offering technical support to Ndlambe personnel managing bulk water distribution into Alexandria.
- Assistance in managing the sewerage collection and pumping network feeding the Alexandria Wastewater Treatment Works.
- Conduct regular water quality testing in accordance with SANS 241 and other statutory standards.
- Weekly analysis of the bulk water supply into the town.
- Assistance with leak detection and bulk distribution network management including bulk meter readings and ensure proper functionality of the meters.
- Provision of skilled manpower and technical resources to carry out the above functions.

2. Cannon Rocks Water Supply System:

- Monitoring, supervision, management and maintenance of the two Cannon Rocks Reverse Osmosis Plants.
- Manage and supervise the bulk water distribution to Boknes and Alexandria reservoirs.
- Conduct regular water quality testing in accordance with SANS 241 and other statutory standards.
- Weekly water analysis of bulk water supply.
- Monthly water supply reporting, including balances for RO production, raw water boreholes, and bulk distribution.

3. All Ndlambe Supply Areas

- Develop, maintain and continuously update a comprehensive asset register that accurately reflects all water and wastewater infrastructure (plants, pump stations, pipes, etc.).
- Conduct regular, documented condition assessments of all critical infrastructure to identify degradation, potential failures and required maintenance or replacement.
- Develop network maps and asset register that are linked to a Geographic Information System (GIS) for effective spatial planning and management.
- Implement a scheduled programme of Closed-Circuit Television (CCTV) camera inspections for sewer reticulation systems to identify blockages, pipe damage, root intrusion and general structural integrity.
- For Blue Drop, implement active leak detection and pressure management programmes to minimise non-revenue water and extend the life of the pipe network.
- Assist the municipality with determining operation and maintenance (O&M) costs and developing capital expenditure plans for asset replacement and upgrades based on the asset management strategy.
- Identify assets that require major refurbishment or rehabilitation based on their condition assessments

Scope of Work for Package B:

- Provide continuous monitoring, supervision, management and maintenance to the Alexandria and Cannon Rocks systems.
- Conduct regular water quality testing in accordance with SANS 241 and other statutory standards.
- Conduct data monitoring, reporting, and performance analysis to support water balance reporting.
- Ensure compliance with applicable water quality and environmental standards.
- Provide capacity-building support and operational guidance to municipal staff.
- Maintain and repair telemetry/SCADA systems for the whole Ndlambe Municipal area to ensure reliable data and operational control.
- Assist with Blue Drop, Green Drop and No Drop requirements for the whole Ndlambe Municipal area.

EVALUATION

Bids will be evaluated based on responsiveness to the compliance requirements, thereafter bids will be evaluated based on functionality criterion. Only bidders who meet the minimum functionality score will be shortlisted and placed on the professional services panel. **Pricing and preference will not be evaluated for the establishment of the panel**; however, it will be utilised during the request for quotations (RFQ) stage, post the establishment of the panel.

Functionality: Minimum qualifying points will be 75% for further evaluation. Detailed functionality is available in the Bid document.

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

(Name of Municipality / Municipal Entity)

do hereby make the following statements that I certify to be true and complete in every respect:

I certify, on behalf of: _____ that:
(Name of Bidder)

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign, the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
 - (a) has been requested to submit a bid in response to this bid invitation;
 - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
 - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - (a) prices;
 - (b) geographical area where product or service will be rendered (market allocation)
 - (c) methods, factors or formulas used to calculate prices;
 - (d) the intention or decision to submit or not to submit, a bid;
 - (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
 - (f) bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
