

MAJESTIC BEAUTY: This early morning image was taken on the Seceda Ridgeline in the Italian Dolomites last October. The spectacular setting involved an early morning trek in 4x4s up this very steep mountain to this lovely setting, characterised by sharp dramatic peaks and ever-evolving cloud formations. I waited until the fog started to lift from the valley below and the colours of the sunrise started to peep through the fog to add some colour and drama to the unfolding scene. Image taken with my Nikon D850 with 16-35mm lens set at 16mm and f13, 1/20 sec shutter speed and ISO 64. The Kowie Camera Club meets twice a month. They organise excursions and invite guest speakers to talk about their specialist genres. You don't need to have a professional camera or photography background to be a member of the club. To join or for more information call 078-428-9551. **Picture: ROB HEFFER**

Bathurst Country Affair promises biggest yet

TOTT CONTRIBUTOR

Bathurst is preparing to welcome thousands of visitors for the Bathurst Country Affair, taking place from August 28 to 30.

Renowned as one of the Eastern Cape's premier country lifestyle festivals, this year's event will be bigger, bolder and more exciting than ever before.

With more than 60 carefully hand-picked, upmarket exhibitors showcasing exceptional artisan products, décor, fashion, gourmet treats, homeware, gifts and handcrafted treasures, visitors can once again expect a shopping experience unlike any other.

This year's festival introduces five major additions designed to elevate the Bathurst Country Affair experience.

A brand-new destination for food and beverage lovers, The Cask & Cuisine promises an unforgettable sensory experience. Relax in the beautiful chill area while enjoying:

- Premium wine tastings
- Craft botanical gin tastings
- An exciting range of craft beers
- Refreshing rum slushies
- Coffee cocktails
- Gourmet artisanal cuisine
- Delicious charcuterie boards
- Live music throughout the weekend

It's the perfect place to unwind, meet friends and soak up the festival atmosphere.

Under the magnificent ancient trees that have watched over Bathurst for generations, Settlers Square comes alive with exceptional craft and artisanal vendors, a vibrant food truck village, shaded relaxation areas and live entertainment, creating one of the festival's most inviting spaces.

Adding yet another exciting venue, The Grand Lounge at The Historic Pig will showcase an impressive selection of premium exhibitors in an elegant setting that perfectly complements Bathurst's rich heritage.

Back by popular demand, The Culinary Challenge will once again see talented home cooks go head-to-head with professional chefs at venues throughout the village. It's guaranteed to entertain, inspire and delight food enthusiasts.

There's also an exciting surprise in store for younger visitors who dream of wearing the crown! Details will be revealed soon on the Bathurst Country Affair Facebook page — so keep watching this space!

No Bathurst Country Affair would be complete without the much-loved signature events that have become legendary over the years.

Visitors can once again take part in or cheer on competitors in:

- The Mystery Box Challenge
- The Pineapple Throwing Competition
- The Bokdrol Spoeg Championship
- The ever-popular Drag Race

These uniquely Bathurst experiences continue to draw crowds and create unforgettable memories.

Food lovers will once again have the opportunity to enjoy popular Wine Tastings hosted by Chef Ray Hanekom-Barnard, while music and theatre lovers are in for a real treat. Rock band Who Invited Karen? will have

MEETING PLACE: A group of friends relaxes in the garden of the Pig and Whistle Inn, during the Mystery Box cook-off in 2025. This fun and sociable event is on the menu again for the 2026 Bathurst Country Affair from August 28-30. **Picture: SUE MACLENNAN**

audiences on their feet at The Stage at The Pig, while theatre-goers can enjoy two outstanding live productions.

These include a hilarious comedy featuring Eksnidanie & Whipme Houston, and a powerful one-woman performance written and presented by Corinne Willoughby.

Adding another special highlight to the weekend, the magnificent Saeculum Aureum Choir returns to perform inside the beautiful St John's Church, promising an unforgettable musical experience.

The Bathurst Country Affair has evolved into far more than a shopping event.

Throughout the village, visitors will discover demonstrations, entertainment, food experiences, local attractions, historic venues and hidden gems around every corner.

The full festival programme will be released shortly on the Bathurst Country Affair Facebook page.

Bathurst's local businesses are preparing to roll out the red carpet, with many offering exclusive weekend promotions, specials and unique experiences for festival visitors.

The entire village looks forward to extending its warm country hospitality to guests from near and far.

The Bathurst Country Affair is sponsored by:

- My Pond Hotel
- Stenden University
- Royal St Andrews Hotel
- The Farm Bathurst
- Bathurst Agricultural Society
- Bathurst Riding Club
- Three Valleys
- Pick n Pay
- Sotheby's
- Multi Security

Whether you're passionate about artisan shopping, gourmet food, fine wine, live music, theatre, family fun or simply soaking up the charm of one of SA's most historic villages, the Bathurst Country Affair 2026 has something for everyone.

- Initial the bottom of each page and sign the Declaration on Page 11.

Applicant's Initials:

PART B: GENERAL INSTRUCTIONS

(These instructions should be read before completing the form)

1. GENERAL REMARKS

- 1.1. All applications should take cognizance of the requirements for the change of land use in terms of the Environment Conservation Act of 1997.
- 1.2. Incorrect and incomplete applications will be returned to the Applicant. The Applicant's attention is drawn to the plans and other documentation that must accompany their application as per the Schedules in the Ndlambe Municipality Spatial Planning and Land Use Management By-law (2016).
- 1.3. Applicants must note that until such time that an application has been approved in writing, any correspondence or discussions pertaining to this application must not be regarded as an indication that it will in fact be approved and do not bind the Ndlambe Municipality, in any way.
- 1.4. The Ndlambe Municipality reserves the right to have approval declared null and void if it was based on wrong information supplied by an applicant. Applicants must therefore ensure that information about restricting factors that could influence the application is provided.
- 1.5. Applicants may supply any additional information, on a particular issue, if they want to and when required to.

2. PRIOR LIAISON WITH OTHER INTERESTED PARTIES

- 2.1. Prior Liaison with interested bodies, including National and Provincial Departments, is strongly recommended, as the processing of applications will be expedited in this way. Where an applicant submits proof that an interested party is satisfied with a proposal, it will not be necessary to again approach such interested party for comments.
- 2.2. A list of the different authorities and other interested parties affected by the development, together with the names, telephone numbers and addresses of contact persons may be available from the Local Authority.

3. SUBMISSION OF APPLICATION

- 3.1. The application must be submitted in duplicate, together with all the required annexes, to the Local Authority in whose area of jurisdiction the land unit is situated. If the land is to be incorporated within the jurisdiction of a Local Authority, the application form must also be submitted to the Local Authority concerned.
- 3.2. Applications can be posted via registered mail or hand delivered to the following address:

The Municipal Manager Ndlambe Municipality P O Box 13 Port Alfred 6170	Town Planning Office Ndlambe Municipality Causeway Road, Civic Centre Port Alfred 6170
---	---
- 3.3. Lack of information leads to delays and adds to the workload of the Section/Department. It is essential that all applications that are submitted for consideration contain all the information necessary for the relevant authority to take a rational decision. Ideally applications should indicate the following:

3.3.1. Details in respect of the application

- A Locality sketch clearly showing the details of the application;
- A Description of the site that is to be developed;
- What does the owner intend to do with the land;
- What are the envisaged development parameters (for instance the proposed floor area and coverage);
- What portion of the site is to be developed;
- What is the existing zoning and use of the subject land;
- A copy of the advertisement of the proposal;
- A site development plan.

3.3.2. Details in relation to the existing and proposed development of the land in the vicinity of the subject land

- The existing uses and zonings to be shown on separate map;
- The visual or historical characteristics of the area;
- Topographical and physical features;
- Details of illegal and non-conforming uses.

3.3.3. Details in respect of the planning proposals for the subject area

- what are the existing and proposed conditions applicable to the subject land (servitudes, title deed and/or zoning scheme conditions);
- relevant details contained in Spatial Development Framework, or any other policy proposals for the area.

3.3.4. Motivation

A written motivation for an application should be based on the criteria referred to in the said legislation (SPLUMA), namely;

- Desirability of the proposed utilization of land and any guidelines issued by the Provincial Minister/MEC regarding desirability of proposed land uses;
- Investigations carried out in terms of other laws that are relevant to the consideration of the application;
- The impact of the proposed land development on municipal engineering services;
- Applicable policies of the Municipality that guide decision making;
- Applicable provisions of the zoning scheme;
- Consideration of the following forward planning documents;
- Integrated development plan, including the municipal spatial development framework; provincial spatial development framework; and
- Policies, principles and planning and development norms and criteria set by the national and provincial government; and
- Land development principles as referred to in Chapter 2 of the Spatial Planning Land Use Management Act, 2013 (Act No.16 of 2013) (SPLUMA).
- When an application is submitted for an amendment, suspension or removal of restrictive conditions the criteria referred to in Section 47 of the Act, should also be considered.

3.3.5. Supporting information and documentation

The following information or documentation may be requested at the discretion of the Municipality and can include the following;

- Copy of Traffic Impact Statement (TIS - if between 50 – 150 peak hr. trips) or Traffic Impact Assessment (TIA - if > 150 peak hr. trips);
- Flood line determination (report / plan);
- Copy of the Environmental Impact Assessment (EIA) / Heritage Impact Assessment (HIA) report;
- Confirmation of submission of EIA / HIA; or Copy of the Environmental Authorisation (EA) / Record of Decision (ROD);

- Services report or indication of all municipal services / registered servitudes;
- Typical unit types (plan & elevation);
- Abutting neighbour consent(s);
- Body Corporate / Home Owners Association (HOA) consent;
- Home Owners Constitution / architectural guidelines;
- Copy of original approval and conditions of approval;
- Minutes of pre-application consultation meeting;
- Confirmation from the Department of Rural Development and Land Reform regarding land claim(s) / restitution claim(s);
- Proof of lawful use right;
- Additional copies of selected documentation;
- Additional motivation; and
- Any other specialist studies, etc.

PART J: DECLARATION BY THE APPLICANT

I hereby wish to confirm the following:

1. That the information contained in this application form and accompanying documentation is complete and correct.
2. I am aware that it is an offense in terms of section 111(4)(e) of Ndlambe Municipality Spatial Planning and Land Use Management, By-law, 2016, to provide inaccurate, false or misleading information.
3. I am properly authorized to make this application on behalf of the owner and that a copy of the relevant power of attorney or consent is attached hereto.
4. Where an agent is appointed to submit this application on the owner's behalf, it is accepted that correspondence from and notifications by the Municipality in terms of the by-law will be sent only to the agent and that the owner will regularly consult with the agent in this regard.
5. I confirm that the relevant title deed(s) have been read and that there are no restrictive title deed restrictions, which impact on this application, or alternatively an application for removal/suspension or amendment forms part of this submission.
6. I confirm that I have made known all information relating to possible Land / Restitution Claims against the application property.
7. It is the owner's responsibility to ensure that approval is not sought for a building or land use which will conflict with any applicable law.
8. The Municipality assesses an application on the information submitted and declarations made by the owner or on his behalf on the basis that it accepts the information so submitted and declarations so made to be correct, true, and accurate.
9. Approval granted by the Municipality on information or declarations that are incorrect, false, or misleading may be liable to be declared invalid and set aside which may render any building or development pursuant thereto illegal.
10. The Municipality will not be liable to the owner for any economic loss suffered in consequence of approval granted on incorrect, false, or misleading information or declarations being set aside.
11. Information and declarations include any information submitted or declarations made on behalf of the owner by a Competent Person/professional person including such information submitted or declarations made as to his or her qualification as a Competent person and/or registration as a professional.
12. A person who provides any information or certificate required in terms of Regulation A19 of the National Building Regulations and Building Standards Act No 103 of 1977, which he or she knows to be incomplete or false, shall be guilty of an offence and shall be prosecuted accordingly.
13. A person who supplies particulars, information, or answers in a land use application in terms of the Ndlambe Municipality Spatial Planning and Land Use Management By-law, 2016, knowing it to be incorrect, false, or misleading or not believing them to be correct shall be guilty of an offence and shall be prosecuted accordingly.
14. The Municipality will refer a complaint to the professional council or similar body with whom a Competent Person/professional person is registered if it has reason to believe that information submitted, or declaration/s made by such Competent Person/professional person is incorrect, false or misleading.
15. By initialing each page of this form, I confirm that I have read and understood the contents therein, and I declare that all information completed in this form and provided as part of this application is true, correct, and complete to the best of my knowledge and belief. I understand that any false or misleading information may result in the rejection of the application or other legal consequences.
16. I am aware that by lodging an application, the information in the application and obtained during the process may be made available to the public, other sector departments or organs of state, as part of processing the application and public participation processes.

SECTION A: INTRODUCTION

MEH Sulter & Son have been appointed by Huntly Knowles, owner of erf 220 Bathurst, to apply to the Ndlambe Municipality for the following.

- Subdivision
 - To subdivide erf 220 Bathurst into 2 portions leaving the Remainder.

Refer to the attached Special Power of Attorney from Huntly Knowles - **Annexure 2**.

The contents of this report, therefore, serve as a motivation for the subdivision of erf 220 Bathurst , into 2 portions leaving the Remainder.

This application is made in terms of Section 59(1) of the Ndlambe Municipal By-laws promulgated in terms of the Spatial Planning and Land Use Management Act No.16 of 2013.

SECTION B: LOCALITY OF THE PROPERTIES

The locality of the properties can be broken down into municipal and local levels. The municipal level refers to which municipal borders the properties fall into, and the local level refers to the erven inside the town in which the properties fall. In this instance the property falls within the Ndlambe Municipality and inside the town of Port Alfred. The borders of the Ndlambe Municipality can be seen on Map 1 below.

Map 1: Ndlambe Local Municipality

The Ndlambe Municipality consists of towns such as Alexandria, Bathurst, Boknesstrand, Bushmans River Mouth, Cannon Rocks, Kenton-on-Sea, Port Alfred and Seafield.

Within the town of Bathurst, the locality of the subject property can be seen below.

The erf is situated Pussyfoot Lane Bathurst.

Map 2: Locality of the property & extract from Ndlambe Municipality Zoning Map

SECTION C: OWNERSHIP, ZONING AND EXTENT OF THE PROPERTIES

All legal information which is relevant, and which relates to this application is detailed as follows.

a) OWNERS PARTICULARS

Property Details	Registered Owner	Title Deed	Extent
ERF 220 BATHURST	HUNTLY RICHARD KNOWLES	[REDACTED]	4 730 SQ.M.

A copy of the title deed is attached to this application marked **Annexure 3**.

b) ZONING

In terms of the Ndlambe Integrated Land Use Management Scheme, erf 220 Bathurst is zoned **Residential Zone 1**.

This application serves to subdivide erf 220 Bathurst into 2 portions leaving the Remainder.

All properties will remain Residential Zone 1 (RZ1).

SECTION D: TITLE DEED RESTRICTIONS

There are no conditions of title preventing subdivision.

See copy of the title deed under **Annexure 3**.

SECTION E: BOND HOLDERS CONSENT

There is no bond over erf 220 Bathurst. See **Annexure 3**.

SECTION F: EXISTING AND ADJACENT LAND USE

The property is situated in Pussyfoot Lane in Bathurst as shown on the locality plan.

The surrounding properties are either vacant or occupied by permanent residents of Bathurst.

To the north, east and west the erven are mostly vacant.

South of erf 220 there are residential erven ranging from 670 Sq.m. to 1900 Sq.m.

To the south-west, across Pussyfoot lane, is a group Housing scheme consisting of erven about 300 Sq.m. in size.

The entire area is zoned residential with the land uses varying between vacant and houses.

The old Grahamstown to Port Alfred railway line traverses from south to north to the east but this is some distance away.

Map 4: Land Use Plan – aerial view

SECTION G: SERVITUDES

There are no servitudes encumbering the erf.

SECTION H: EXISTING SERVICES

The purpose of this section is to highlight the existing infrastructural services available to erf 220 Bathurst. The erf is situated in Pussyfoot Lane, and all available services have been installed.

- **Electricity**
ESKOM provides electricity to the site.
- **Refuse Removal**
The Municipality is currently responsible for refuse removal.
- **Roads**
Access to the site is via Pussyfoot Lane and the road to the north.

- **Sanitation**

The sites will be serviced by septic tanks and French drains. One for each property.

- **Storm water**

Is via natural run off and drains.

- **Water**

A municipal water main runs past the site.

SECTION I: EXISTING AND PROPOSED ZONING

As mentioned previously the property is situated in Pussyfoot Lane in Bathurst.

Erf 220 is zoned Residential 1.

The surrounding properties are also all zoned Residential Zone 1, and some have been subdivided.

The zoning parameters currently applicable to the land units are as follows:-

Residential Zone 1 (RZ1):

- *Primary Use: Dwelling unit*
- *Consent Use: Additional dwelling unit, Crèche, Guest House, Home Enterprise, Medical Use, Social Facility*
- *Building lines: Street 5m, lateral 1,5m and rear 3m*
- *Height: 8,5m*
- *Coverage: 50%*
- *Floor factor 1.0*

See zoning certificate under **Annexure 4**.

SECTION J: DESIRABILITY – EXISTING & PROPOSED DEVELOPMENT

The main criterion of establishing a need and desirability is to ensure that the land use development proposals are necessary and desirable in the public interest. This will result in sustainable land utilization which is publicly acceptable and relevant in all aspects such as economic growth, convenience, and benefit the community at all levels.

Erf 220 Bathurst belongs to Huntly Knowles. The erf is 4 730 square metres in extent, and he wants to subdivide off the 2 portions leaving the Remainder.

Subdividing the property will make it more marketable and eventually result in more rates and taxes being paid to the Ndlambe municipality.

Other erven in the vicinity have been subdivided over the years, and both portions will still be over 1 500 Sq.m. which are large erven. Under previous legislation the minimum erf size for Bathurst was 1 200 Sq.m.

Plan showing
Surrounding erf sizes
Scale: 1/2 000

SCHEDULE OF AREAS ZONINGS	
1655	denotes areas < 1000 Sqm
1656	denotes areas 1000 to 2000 Sqm
1665	denotes areas > 2000 Sqm

Map 5: Plan showing compatibility with surrounding erven

The objective of this application is to subdivide erf 220 Bathurst into two portions leaving the Remainder as shown below:-

- Erf 220 (Figure ABCD) is 4 730 Sq.m. and held under Title Deed No. T [REDACTED]
- Portion A (Figure ABgf) is 1 565 Sq.m. is to be sold.
- Portion B (Figure fghe) is 1 565 Sq.m. is to be sold
- Remainder erf 220 (Figure ehCD) is 1 600 Sq.m. is to be retained.

Map 3: Subdivision plan

The subdivision is desirable from a Town Planning point of view for the following reasons.

- The proposed development aligns itself with the Ndlambe SDF which encourages Infrastructure Investment and Sustainable Development.
- The development will be guided by the Spatial Planning and Land Use Management Act 16 of 2013.
- The local authority will benefit from the subdivision in perpetuity from additional rates and taxes and supplying of services.
- The proposal promotes densification and better utilization of existing services.

In addition to the above a single subdivision also has the following economic benefits which are often referred to as the “revolving rand”

- The application creates an opportunity for a professional to earn fees
- The Municipality gets application fees
- The subdivision creates an opportunity for work for a Professional Land Surveyor
- The Surveyor General receives examination fees
- A Conveyancer transfers the land and receives transfer fees
- The Deeds Office will get transfer duty
- The Receiver of Revenue receives Capital Gains taxes (mostly)
- A Draughtsman or Architect will earn income when drawing the house plans
- The municipality will receive building plan fees when the building plans are submitted for approval
- A contractor will be appointed to complete the building creating temporary employment and stimulating the local building industry through the purchase of:-
Cement, bricks, cement, doors, paint, roof tiles, sand, stone, windows etc.
- A carpenter could be employed to do the cupboards and kitchen
- Local stores will benefit from the purchase of household appliances and furniture
- The local nursery will benefit from creating the garden
- The municipality will benefit in perpetuity for connection fees, consumption fees and rates and taxes
- Permanent employment can be created by employing a gardener and/or domestic worker
- employing an electrician, plumber etc. to fix the problems that invariably arise overtime

SECTION K: POLICY ALIGNMENT – DEVELOPMENT PRINCIPLES, NORMS & STANDARDS

Ndlambe Municipality Integrated Development Plan (2022/2023)

The Ndlambe Municipality 2030 vision:

The Ndlambe Municipality Vision that emerged during the Strategic Planning workshop is as follows:

Ndlambe municipality strives to be a premier place to work, play, and stay, on the eastern coast of South Africa. It strives to be the destination of choice for people who love natural and cultural heritage, adventure water sports, and living for families.

Our promise is to build a state-of-the-art physical infrastructure which will be laid out aesthetically in our beautiful natural environment. Our prosperous community supports a safe and healthy lifestyle which is supported by affordable natural living and a vibrant tourism and agriculturally based economy.

We promote good governance by providing sustainable, efficient, cost effective, adequate and affordable services to all our citizens.

Mission:

To achieve our vision by enabling optimal performance within each of the five Key Performance Areas of Local Government within the context of available resources

Values:

- Commitment.
- Transparency.
- Honesty.
- Trustworthiness; and
- Care

Strategic Goals and Objectives:

Below are the Strategic goals and objectives that emanate from the long-term strategy of the municipality:

Goal 1:	A premier place to work and do business
Strategic Objectives	1.1. Improve the efficient running of and the governance of the Municipality 1.2. Develop state-of-the-art physical infrastructure 1.3. Develop a vibrant, rapidly growing, employment generating agri-based economy 1.4. Develop a vibrant, rapidly growing, employment generating tourism economy, including the heritage economy 1.5. Develop a vibrant, rapidly growing, employment generating oceans economy
Goal 2:	2. Destination of choice for living Strategic Objectives
Strategic Objectives	2.1. Improve financial viability of the municipality 2.2. Provide sustainable, efficient, cost effective, adequate and affordable services to all our citizens 2.3. Create a safe and secure living environment 2.4. Position the municipality as a learning hub of excellence
Goal 3:	3. Tourist destination of choice for people, who love natural and cultural heritage and adventure water sports
Strategic Objectives	3.1. Preserve the natural beautiful environment 3.2. Develop and support adventure and extreme water sports 3.4. Develop cultural heritage economy

The proposed subdivision supports the principles of the Integrated Development Plan and aims to create a vibrant community, investment opportunities, service delivery and economic development.

Municipal Spatial Development Framework (2023):

The Ndlambe Spatial Development Framework sets out the long-term spatial development for the municipality. The SDF is a framework that seeks to guide overall spatial distribution of current and desirable land uses within a municipality, to give effect to the vision, goals and objectives of the municipal Integrated Development Plan.

The Ndlambe SDF is a high-level strategic policy plan which is a component of the IDP. It is a living document.

Spatial Planning Principles - Section 9:

The SDF for the Ndlambe Municipality is guided by the following planning principles:

- Development of sustainable human settlements
- Ensuring a sustainable and functioning environment
- Managing and maintaining safe and accessible infrastructure provision

- Access and affordable public transport and accessible linkage between settlements
- Thriving economy which is well positioned within the province and within the country
- “Smart City” and information technology
- Effective Governance

Further the following spatial structuring elements should apply.

The key elements of the structuring elements are as follows:-

- Contain urban sprawl – **the erf is in an established township, and the proposal will certainly not create urban sprawl**
- Promote urban and social integration – **additional erven will lead to more social integration**
- Promote higher densities - **the proposed subdivision will result in densification and better utilization of existing services**
- Create quality urban environments – **This area in Bathurst is already a quality urban environment**
- Promote pedestrian friendly environments and movement patterns – **these will not change**
- Create a sense of space – **the erven in this area are large and certainly create a sense of space**
- Enhancement of investment opportunities – **allowing subdivisions of this nature should promote development opportunities resulting in both temporary and permanent employment and create additional revenue for the Ndlambe Municipality through additional rates, taxes and service charges.**
- Simplifying decision making regarding development applications – **an especially crucial point to note. The application falls into the category where the decision making is made by the Authorised Official after the application has been securitized by the Town Planner.**

It should be emphasized that this proposal will not negatively impact on the character of the area.

The creation of a smaller erf will have a favourable impact on investment and employment opportunities.

This application aligns with the growth and development of Ndlambe in that it conforms to the Spatial Development Framework for the Ndlambe Municipality.

Spatial Planning and Land Use Management Act (SPLUMA), Act No.16 of 2013:

SPLUM at a Municipal level (often referred to as Municipal Planning) includes mainly two broad categories:

The SPLUMA has been introduced as framework legislation to outline how SPLUM must be done by municipalities with the support of provinces and national government. The aim of the SPLUMA is to:

- Provide a single, uniform framework for spatial planning and land use management on a national level;
- Provide for inclusive, developmental, equitable and efficient spatial planning at the different spheres of government;
- Provide a framework for policies, principles, norms and standards for spatial planning and land use management;
- Address past spatial and regulatory imbalances;
- Promote greater consistency and uniformity in procedures and decision-making by authorities;
- To provide for the establishment, functions and operations of Municipal structures (Planning Tribunals) to consider development applications; and
- Provide for the facilitation and control of land use and development.

The application is made in terms of Sections 59(1) of the Ndlambe Municipal By-laws promulgated in terms of the Spatial Planning and Land Use Management Act No.16 of 2013.

Decisions need to be based on Sections 7, 22(1) and 42(1) of the aforementioned Act and Sections 53(1) and 53(4) of the Ndlambe Spatial Planning and Land Use Management By-laws.

The application needs to be assessed in terms of Development Principles contained in Section 7 Chapter 2 of the Spatial Planning and Land Use Management Act No.16 of 2013.

Section 42(1) of the Spatial Planning and Land Use Management Act No.16 of 2013 stipulates that a Municipal Planning Tribunal, before considering and deciding on an application must:

- 42(1)(a) Be guided by the development principles set out in Chapter 2 - The relevant development principles in Chapter 2 of the Act have been addressed in the memorandum.
- 42(1)(b) Make a decision which is consistent with norms and standards, measures designed to protect and promote sustainable use of agricultural land (not applicable on this application), national and provincial government policies and the municipal spatial development framework.

This development is in accordance with the following Spatial Planning Principles.

Section 7 of SPLUMA stipulates:

Such principals include but are not limited too.

- The principal of Spatial Justice
- The principal of Spatial Sustainability
- The principal of Efficiency
- The principal of Spatial Resilience
- The principal of Good Administration

The proposed subdivision is in line with the SPLUMA Development Principles (Section 42(1)(1)) in the following manner:

SPLUMA REFERENCE	Development Compliance
7 (a) Spatial Justice i) The principle of spatial justice requires that past spatial and other development imbalances must be addressed through improved access to and use of land. ii) Spatial development frameworks and policies at all spheres of government must address the inclusion of persons and areas that were previously excluded, with an emphasis on informal settlements, former homeland areas and areas characterised by widespread poverty and deprivation; iii) Spatial planning mechanisms, including land use schemes, must incorporate provisions that enable redress in access to land by disadvantaged communities and persons; iv) Land use management systems must include all areas of a municipality and specifically include provisions that are flexible and appropriate for the management of disadvantaged areas, informal settlements and former homeland areas; v) Land development procedures must include provisions that accommodate access to secure tenure and the incremental upgrading of informal areas and vi) A Municipal Planning Tribunal considering an application before it, may	● The location of this property in the town and the type of land use supports spatial justice. ● The application is being submitted so that the owner can sell portions of the erf making it more marketable. ● The property is in a sparsely developed area and will contribute to the prevention of urban decay and to regeneration and urbanization when all portions are developed. ● The subdivision will contribute to the improved use of the land and will be more sustainable.

	not be impeded or restricted in the exercise of its discretion solely on the ground that the value of land or property is affected by the outcome of the application;	
7 (b)	Spatial Sustainability - Promote land development that is within the fiscal, institutional and administrative means of the Republic; - Ensure that special consideration is given to the protection of prime and unique agricultural land; - Uphold consistency of land use measures in accordance with environmental management instruments; - Promote and stimulate the effective and equitable functioning of land markets; - Consider all current and future costs to all parties for the provision of infrastructure and social services in land developments; - Promote land development in locations that are sustainable and limit urban sprawl; and - result in communities that are viable;	- The erf is within the urban edge of Bathurst and is an old and fairly established residential area. - This proposal will certainly not conflict with the present character of the area. - The erf is in an established township, and no environmental authorization is necessary. The area is not particularly environmentally sensitive.
7 (c)	Efficiency - Land development optimises the use of existing resources and infrastructure; - Decision-making procedures are designed to minimise negative financial, social, economic or environmental impacts; and - Development application procedures are efficient and streamlined and timeframes are adhered to by all parties;	- The proposal will promote the optimal utilization of the subject property and existing infrastructure. - The proposal supports the principle of nodal development - It could create temporary and permanent job opportunities - It will support and strengthen the existing residential node
7 (d)	Spatial Resilience The principle of spatial resilience, whereby flexibility in spatial plans, policies and land use management systems are accommodated to ensure sustainable livelihoods in communities most likely to suffer the impacts of economic and environmental shocks	This proposal is in line with the Ndlambe Municipality Spatial Development Framework

7 (c)	Good Administration i) All spheres of government ensure an integrated approach to land use and land development that is guided by the spatial planning and land use management systems as embodied in this Act; ii) All government departments must provide their sector inputs and comply with any other prescribed requirements during the preparation or amendment of spatial development frameworks; iii) The requirements of any law relating to land development and land use are met timeously; iv) The preparation and amendment of spatial plans, policies, land use schemes as well as procedures for development applications, include processes of public participation that afford all parties the opportunity to provide inputs on matters affecting them; v) Policies, legislation and procedures must be clearly set to inform and empower members of the public.	• The Ndlambe Municipality is obligated to consider the application fairly and within the timeframes provided. • It is important that decision making is aligned with sound policies based on national, provincial and local development policies. This application complies with all relevant policies, legislation and procedures as well as transparent processes of public participation that afford all parties the opportunity to provide inputs on matters affecting them. • This application will be processed in accordance with the prescribed application procedures and stipulated in the Spatial Planning and Land Use Management Act, 2013 (Act 16 of 2013).
-------	---	--

Building Controls

All new dwellings and buildings will have to have plans drawn and submitted to the Ndlambe Municipality for approval to ensure that they comply with the National Building Regulations.

SECTION L: APPLICATION FORM

This application form, in terms of the Spatial Planning and Land use Management Act, Act No.16 of 2013, for the subdivision of the erf can be found under **Annexure 1**.

SECTION M: SUMMARY & CONCLUSION

The application which has been submitted is for the:-

- **Subdivision of erf 2200 Bathurst into 2 portions (Portions A & B) leaving the Remainder.**

The application is being submitted on behalf of the owner of erf 220 who would like to sell off smaller portions which are more marketable and appealing to prospective buyers.

It is recommended that the Council supports and approves the above-mentioned application based on the following.

- The proposal will create additional revenue for the municipality through additional rates and taxes and through the provision of services.
- The proposed subdivision will have little or no impact of the surrounding owners.
- The development is aligned with the Development Parameters as set out by Ndlambe Municipality and ties in with the spatial policies

Accordingly, it is recommended that Ndlambe Municipality favourably considers the application for approval.
